

Need a cell line?

Need an Antibody?

Need a reagent?

The MBI Bioresources E-mail List

- This mailing list is designed to enable researchers in the biological sciences on campus to contact each other for requests of reagents, equipment, or protocols for specialized techniques.

1. To subscribe:

Send an email to bioresources-join@lists.ucla.edu

(leave subject and body of the email empty)

Wait for confirmation email, confirm you want to join.

2. To post to the list:

send an email to: bioresources@lists.ucla.edu.

**** You must subscribe to post or receive messages
(you will not get a bunch of junk emails)

**** To unsubscribe, simply send an email to bioresources-leave@lists.ucla.edu
