FACULTY ACKNOWLEDGMENT OF 8-WEEK DRAFT AND FINAL PAPER

MCDB Research Projects: 198A-D, 199, 199A-D

Student Submission instructions:

Date:

Please answer the specific questions on this page. Send this form to your Faculty mentor along with your paper. In your email ask him/her to add their electronic signature to the form and send it back to you. If your Faculty Mentor requires a hard-copy instead of an electronic version of your paper, or does not use electronic signatures, scan the form after obtaining the signature and submit it with your paper on the course website. **Every time you upload an 8-week draft or finalized version of your paper to the course website include a completed and signed copy of this form**. You will be able to submit two (2) documents for each submission on the CCLE course website.

Quarter/Year:

Name:	UID:
E-Mail ad	dress:
In the spa	ce below, write a brief paragraph that includes the following:
1)	A description of your project.
2)	State exactly what you will do or did do in this project, including techniques, as opposed to what others in the lab are doing, e.g. "I will run gels to locate and isolate a DNA fragment, " or "I will sequence DNA, " etc.
3)	State what you found or what you expect to find (make a guess if necessary).
G,	State what you round or what you expect to line (make a guesse it houseseary).
